

BUILDING KEY

	EXISTING VILLAGE CENTER
	PROPOSED DEVELOPMENT
	COLUMBIA ASSOCIATION

GOALS AND OBJECTIVES

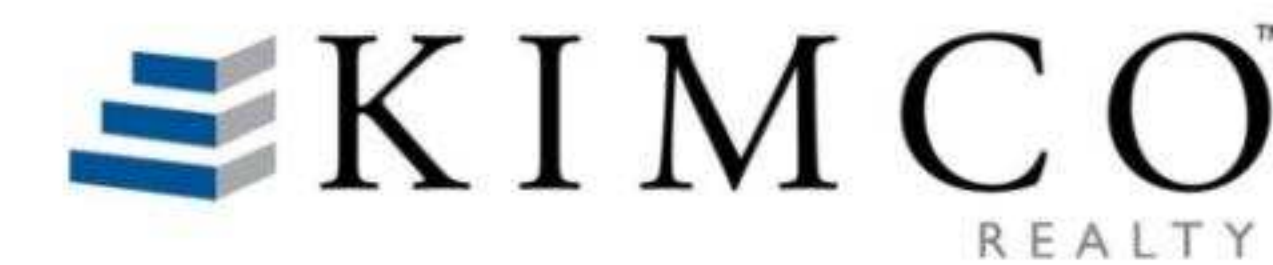

- Build on the existing investment in quality buildings, parking, roads and landscape amenities.
- Improve the vehicular access and visibility to the retail shops and restaurants.
- Provide new residential housing to add life and vitality to the village center.
- Preserve and enhance the interior courtyard and the three buildings that define this historic community space.
- Commit to a Phase One project that can be implemented in 2011 to show progress toward development in 2012.
- Demonstrate the principle of sustainability by creating a new mixed-use center that builds on the valued amenities and the existing investment in buildings and infrastructure.
