COLUMBIA'S PROMISE PREVIEW SCREENING

Wilde Lake Happenings on April 28

• **4th Annual Plant Exchange at Wilde Lake Park, 10am**

Yes, it's back! One of our most popular events of the year. The Plant Exchange at Wilde Lake is a community-wide **FREE** event. The Exchange encourages reuse, recycling, resource sharing and information exchange. The Exchange is open to anyone and is a great way to add variety to your gardens! More information on rules and procedures for dropping off plants will be on our website.

• **Tree Giveaway, 10am –noon**

Once again, the Village of Wilde Lake, in partnership with CA, will give away 20 native trees to Wilde Lake residents. Choose between a Redbud and Flowering Dogwood. To Apply for a free tree, complete the application found at the following link: <https://forms.gle/ccZQetYArXEGicPPA>

TREES MUST BE PICKED UP ON APRIL 28th BETWEEN 10AM AND NOON. Location TBD (likely location The Barn in Wilde Lake Park).

• **Volunteers Needed for WL Tree Planting, 10:30am-12:30pm**

In partnership with CA, we will be planting 50 trees in "Rhoda's Grove", the Open Space area below the Wilde Lake Dam and adjacent to Little Patuxent Parkway. We are in need of volunteers to get these trees in the ground. Stick around after the Plant Exchange and loan your energy to this effort. Rhoda Toback was a long time WL resident and avid supporter of the environment. Before her passing, she worked with CA to begin a small reforestation effort below the Wilde Lake Dam. What better way to honor one of our most avid Wilde Lake environmentalists than by sprucing up the vegetation in this area of Open Space! RSVP to besswlvb@gmail.com.

Outdoor Yoga, 11am –noon

This **FREE** Yoga session will be held at Wilde Lake Park (near the Barn) and is open to the public. For information, contact lmt4941@yahoo.com

Spring into Your Workouts

News from the Wilde Lake Health and Fitness Committee

Use these sun-welcoming tips to get outside, get active and stay motivated while enjoying the spring weather!

1. Drink before, during and after exercise
2. Wear the right clothing. Sweat-wicking clothes with built in UV protection, breathability, and anti-microbial fibers make a world of a difference when exercising outdoors

Take the work out of workout. Grab a buddy (4-legged ones count!) and find a shady spot outside or use a local park to get creative, get social and get moving!
