**Neighborhood Center Survey - CA Needs Your Input**

Columbia Association's Board of Directors regularly evaluates strategic options for how best to serve the community. One strategic discussion involves Columbia's neighborhood centers — buildings that were originally conceived as community gathering spaces for meetings and for cooperative nursery schools. [Please complete our survey about Columbia's neighborhood centers.](#) Your input is valuable to CA's Board of Directors as these strategic discussions continue. This survey will be open through Tuesday, January 21. The survey results are expected to be provided to CA's Board of Directors on Thursday, January 23.

**Merry Mulch  
Your Holiday Tree**

December 26th through January 18, 2020

Your participation in the Merry Mulch program keeps thousands of trees out of the landfill. Trees are taken to a compost facility and recycled into compost and mulch.

For more information and a list of drop-off locations visit [www.HowardCountyRecycles.org](http://www.HowardCountyRecycles.org)

**Howard County Snow Removal Regulations and Slayton House Closing Policy**

Reminder that Howard County does not maintain any sidewalks, including snow removal, with exception of the sidewalks adjacent to County buildings (libraries, offices, etc.). The owner of property abutting a sidewalk in a public right-of-way is responsible for removing snow from the sidewalk within 48 hours after the snow has fallen. (See [Howard County Code, Section 18.402\(h\)\(1\)](#).) This applies to public streets and is applicable to sidewalks adjacent to public property.

In the event of snow or ice, Slayton House will make a decision to close on a case by case basis. We do not follow decisions by Howard County Schools. Closing information will be posted on [facebook](#) and on our website. We will also leave a phone message at 410-730-3987. (extension 4)

**Note: We will be starting a list of names of snow shovelers. If you are interested in adding your name to our list, please email [gallery@wildelake.org](mailto:gallery@wildelake.org) with your name, email and/or phone number and in which Wilde Lake neighborhood you live. (Bryant Woods, Faulkner Ridge, Running Brook or the Birches).**

**Village Elections 2020**

Village Elections will be held on April 25, 2020. There are five seats on the Village Board and one seat for the Wilde Lake representative to the Columbia Council.

The nomination period opens on February 18, 2020. Interested residents can obtain a candidates' packet at Slayton House or on the website. The packet includes a petition to run for the Village Board or Columbia Council, which must be signed by neighbors and returned by March 11 at 9pm. More information will be available soon on our website. If you have any questions about the election process, please contact Kristin Shulder, Village Manager at [wica@wildelake.org](mailto:wica@wildelake.org) or Carole Black, Program Administrator at [gallery@wildelake.org](mailto:gallery@wildelake.org).

**Health and Wellness Tip to Start the New Year!**

A new You in 2020. In the last tip we discussed how to break down a goal when setting a resolution. Now we need to focus on the **key to keeping a resolution by setting an intention for self-improvement**. For example, who do I want to be in a year from now, how much weight do I want to lose by a certain date, what do I have to do now and each day to accomplish a career or income goal. Know what you want long term and then take a step in that direction every day to fulfill your desire. Going after what you want becomes a lifestyle for self-improvement and success rather than a burden or a chore. In a year from now, you will thank yourself for making the commitment.

Tip supplied by Linda Furiate; Motivator/Mentor/Cryptologist of the Stars and Health & Wellness Committee member.
