Howard County Health Department Update on COVID-19 Testing

Coronavirus Messaging

- **Testing** - We are increasing our capacity at the VEIP station.
- We have updated the places around the county where people can go to get tested in addition to the VEIP site. See the [Coronavirus Testing page](#)
- Guidelines for those who may be tested have broadened again by the State of Maryland. In some cases no doctor referral is needed for testing. (See <https://coronavirus.maryland.gov/pages/symptoms-testing>) You can see this information on our [Corona Virus Testing Page](#)
- State officials are encouraging anyone who attended any of the demonstrations over the last couple of weeks to get tested for COVID-19. [Click here for more information](#)

Slayton House Update

During the ongoing pandemic, the Slayton House staff continues to work remotely and with reduced hours. Team members can be contacted by email or voicemail - check the Contact Us page on our website (www.wildelake.org) for email addresses and phone extensions. We continue to serve Wilde Lake residents by processing applications for exterior alteration & letter of compliance requests, sending weekly e-newsletter & special notices, creating virtual events such as kids performances & art exhibits, and more. In addition, we will offer free online pop-up programming for Slayton House Theatre Camp of the Arts throughout the summer. We are working towards putting safety measures in place to protect our team members and the community and look forward to welcoming the public back to Slayton House. In the meantime, check our website and Facebook page for news and updates. Be kind. Be patient. Be well.
