Sale of Former Columbia Flier Building

[Click here for information](#)

A Community Informational Meeting was held virtually on Thursday, July 23, 2020, at 7 p.m. to discuss the redevelopment of the former Columbia Flier Building site. At the meeting, County officials presented information about the history and condition of the building, along with an overview of the RFP timeline and process. For those who were unable to attend the meeting, the presentation and recording are posted on the county website. There is also a survey that will be available for you to provide input until August 6, 2020.

Extreme Heat Safety Reminders

The summer heat can be dangerous. . Please remember to take precautions to stay safe and support those in our community who are more vulnerable in extreme weather. Heat exhaustion and heat stroke are serious illnesses that can be deadly if not treated properly. The warning signs of heat-related illness include the following: ***light-headedness, headaches, muscle cramps, mild nausea or confusion, fatigue or profuse sweating and rapid breathing.*** All residents are encouraged to take a common-sense approach to the extreme heat and take the following precautions to prevent heat related illness:

- Increase fluid intake; drink non-alcoholic and caffeine-free liquids.
- If possible, stay out of the sun during the middle of the day.
- Pace yourself and take frequent breaks.
- If you must be out in the heat, wear lightweight, light-colored, loose-fitting clothing, a wide-brimmed hat and sunscreen.
- NEVER leave children or pets unattended in a parked car or other hot environment.
- Check regularly on infants, elderly, family and neighbors with health conditions as they are more vulnerable to heat-related illness.

Cooling centers are available to those who need a place to shelter from the sun and cool off at our Howard County Recreation and Parks' community centers:

Gary J. Arthur, 2400 MD 97, Cooksville, 7:00 a.m. - 9:00 p.m.;
North Laurel, 9411 Whiskey Bottom Road, Laurel, 8:00 a.m. to 9:00 p.m.; or
Roger Carter, 3000 Milltowne Drive, Ellicott City, 7:00 a.m. to 10:00 p.m.

Keep in mind that face coverings will be required at cooling centers.

Additional Resources about Heat Safety:

Anyone in need of shelter or other assistance should call the Grassroots hotline at 410-531-6677 or visit grassrootscrisis.org

EXTREME HEAT SAFETY TIPS

- ✓ Check on elderly friends, family, and neighbors.
- ✓ Take frequent rest breaks in air conditioned or shaded environments.

- ✓ Wear light-colored, light-weight, loose-fitting clothing, a hat, and sunscreen.
- ✓ Stay hydrated, drink water.

Know the signs of heat related illness, including:

Extreme Weakness / Muscle Cramps

Headache

Vomiting or Fainting

Dry Red Skin

Calvin Ball
Howard County Executive

Anyone in need of shelter or other assistance should call the Grassroots hotline at **410-531-6677**.

covidLINK

Respond. Connect. Recover.

Answer and/or return any calls from “MD COVID.” If you do not have caller ID on your phone, look for the phone number (240) 466-4488. covidLINK is more than Maryland’s contact tracing initiative. It’s a way we can all keep each other safe. By getting ahead of the disease, we can help prevent infections, better understand how it’s transmitted, and get closer to returning to our normal lives. Contact tracing is the process of identifying people who may have come into contact with an individual with an infectious disease, in this case COVID-19. The contact tracer reaches out by phone to someone who has tested positive for the virus to determine their whereabouts and close contacts for the two-week period of time when they may have been infectious. Slayton House Update

During the ongoing pandemic, the Slayton House staff continues to work remotely and with reduced hours. Team members can be contacted by email or voicemail - check the Contact Us page on our website (www.wildelake.org) for email addresses and phone extensions. We continue to serve Wilde Lake residents by processing applications for exterior alteration & letter of compliance requests, sending weekly e-newsletter & special notices, creating virtual events such as kids performances & art exhibits, and more. In addition, we will offer free online pop-up programming for Slayton House Theatre Camp of the Arts throughout the summer. We are working towards putting safety measures in place to protect our team members and the community and look forward to welcoming the public back to Slayton House. In the meantime, check our website and Facebook page for news and updates. Be kind. Be patient. Be well.
