## Covenant Corner

### **Are Applicants Required to Get Their Neighbors' Signatures to Apply for Alterations?**

If you have lived in Wilde Lake for a while, you may remember that residents had to obtain the signatures of visually affected neighbors on their Applications for Exterior Alteration. This meant that any potentially impacted neighbors were made aware of proposed projects and could send input to the RAC accordingly.

However, our application form changed several years ago at the request of Columbia Association's legal department, and signatures from visually affected neighbors are now just recommended – not required.

### **If you are interested in staying informed about proposed projects in Wilde Lake:**

- If you receive our weekly e-newsletter, you should also receive the RAC agenda on the Thursday prior to each RAC meeting.
- If you prefer not to subscribe, you can always find the upcoming RAC agenda (as well as minutes for previous meetings) on our website: <https://www.wildelake.org/covenants/rac-agenda/>.
- Do you have input you'd like to share?

**RAC meetings are open to the public and currently held virtually! For Zoom information, email Lexi Levy Milani at [covenants@wildelake.org](mailto:covenants@wildelake.org).**

**You can also submit input prior to any RAC meeting via email to the above address, or by calling Lexi at 410-730-3987 x16.**

We welcome and appreciate participation in our RAC process. Please feel free to reach out at any time with comments on a specific project, input on the process in general, or to volunteer on the RAC itself!
