Wilde Lake Residents Needed

The Resident Architectural Committee (RAC) needs more eyes + hands to help maintain Wilde Lake's aesthetic standards in 2024! RAC members review Applications for External Alteration + attend two meetings per month of an hour or less each. Meetings are held virtually and are a fun way to get to know your neighbors.

Visit wildelake.org/covenants for details.

Full RAC Calendar for 2024 Now Available

Interested in submitting an Application for Exterior Alteration in the new year? You can find application due dates and RAC meeting dates on the [2024 RAC Calendar](#) [requires Adobe PDF]!

A few reminders:

- RAC meetings generally occur on the second and fourth Tuesday of each month, and applications are due the Tuesday prior to each meeting.
- Any changes specific to 2024 are noted on the schedule linked above.
- There is no timeline in the *Covenants* to complete alterations once approved.

We have all seen trees in our neighborhoods being smothered in English ivy or strangled by large vines. Winter is the easiest time to remove invasive ivy and other vines because most of the surrounding foliage has died back, leaving these vines exposed.

In this interactive webinar with professionals in sustainable landscape management, you will learn to identify common invasive (and native!) vines and plants by their winter appearance, as well as how to effectively remove the invasive ones.

In the weeks after the webinar, there will be opportunities to join small groups of Weed Warriors in invasive vine removal in villages throughout Columbia. Please join us to help save our mature trees and increase the health and vitality of our neighborhoods!
