

Candidate Statement: **Kat Uy**

My name is Kat Uy, and I'm asking for your vote to be Wilde Lake CA Board Representative.

I'm a librarian and long-time resident of Wilde Lake, whose five children graduated from WLHS. My family and I appreciate the amenities and resources provided by CA, but we're concerned they aren't affordable to all residents.

I will fight to:

- Make CA open and transparent for residents.
- Make residents the number one priority for CA.
- Reduce the annual charge.
- Protect and conserve open space for the next generation.
- Ensure residents get fair consideration when CA negotiates with private entities.

I promise to actively communicate with residents in an easily accessible and timely way. I value feedback and will **never** vote to limit Resident Speakout.

Well-funded self-serving special interests continue their efforts to take over the CA Board at the expense of residents. **RESIDENTS ARE MY SPECIAL INTEREST.**
