SIXTH: The following shall automatically be members of the Association:

A. *Owners.* "Owner", for purposes of this Article Sixth shall mean and include the owner of any "Unit" within the Property, or any common or joint interest therein if such Unit is owned by more than one person or entity. "Unit" shall mean and include (i) the fee simple title to any Lot (as defined in the Wilde Lake Declaration) within the Property; (ii) the fee simple title to a unit in any condominium development within the Property; and (iii) any share, membership or other interest in any cooperative or other entity

organized and operated for the purpose of making residential dwelling units available to its shareholders, members or other beneficiaries, which share, membership or other interest entitles the owner thereof to possession of any residential dwelling unit within the Property.

B. *Tenants*. "Tenant" for purposes of this Article Sixth, shall mean and refer to an individual who (i) actually resides on the Property under a written lease from an Owner in which such individual is named as lessee, and (ii) delivers an executed copy of such lease to the Board of Directors.

No person or other entity shall be a member of the Association after he ceases to own or hold the interest in a portion of the Property which theretofore qualified him for membership under the provisions set forth above.

Contract sellers of any of the interests set forth above in connection with qualification for membership in the Association shall be members, but those having an interest merely as security for the performance of an obligation shall not be members of the Association.

SEVENTH: All members, so long as the same shall qualify under Article Sixth above, shall be entitled to vote on each matter submitted to a vote at a meeting of members. Each member of the Association shall have one vote, subject to the following exceptions and conditions:

A. If any member owns or holds more than one lot, unit, share, membership or other interest as described in Article Sixth above, in connection with qualification for membership, such member, subject to the provisions of this Article Seventh, shall be entitled to one vote for each such lot, unit, share, membership or interest owned or held.

B. When any lot, unit, share, membership or other interest, as described in Article Sixth above in connection with qualification for membership, is owned or held by more than one member as tenants by the entireties or in joint tenancy or tenancy in common or any other manner of joint or common ownership or interest, such members shall collectively be entitled to only one vote relative to that lot, unit, share, membership or other interest, and if such members cannot jointly agree as to how that vote should be cast, no vote shall be allowed with respect to such lot, unit, share, membership or other interest.

C. Any member who is in violation of the Wilde Lake Restrictions as defined in the Wilde Lake Declaration, as determined by the Board of Directors, or who fails to pay any dues or any special assessment established by the Association shall not be entitled to vote during any period in which any such dues or assessments are due and unpaid or in which such violation continues, except with respect to the casting of a vote for a representative on the Columbia Council.

D. The Board of Directors may make such regulations, consistent with the terms of the Wilde Lake Declaration and this Charter, as it deems advisable for any meeting of members, in regard to proof of membership in the Association, evidence of right to vote, the appointment and duties of inspectors of votes, registration of members for voting purposes, and such other matters concerning the conduct of meetings and voting as it shall deem fit.

E. Except as specified in this paragraph and in paragraph F immediately following, no member shall be entitled to assign his right to vote, by power of attorney, by proxy or otherwise, and no vote shall be valid unless cast in person by the individual member, provided, however, (i) that in the case of a corporate member, the vote may be cast by an appropriate officer of such corporation; (ii) that in the case of joint or common ownership as set forth in subparagraph B. of this Article Seventh, any one such member shall be entitled to cast the vote with respect to the lot, unit, share, membership or other interest in question; (iii) that members unable to attend a meeting at which Directors are to be elected or at which a representative to the Columbia Council is to be elected shall be entitled to file a written vote under absentee balloting regulation provided in the By-Laws; and (iv) agencies or instrumentalities of the Federal Government, if otherwise entitled to vote, may vote by written proxy.

F. On any matter submitted to the members for vote, other than the election of Directors or the election of a representative to the Columbia Council, any member entitled to vote may cast a vote without attending the meeting in question by either of the following procedures, at his election:

(i) the member may sign a written proxy designating a particular individual to cast the member's vote on any issue coming before a particular meeting (other than the aforesaid excluded matters), which proxy shall be valid only with respect to the meeting specified therein; or

(ii) file a written statement with the Board of Directors prior to the meeting in question, specifying the issue on which the member intends to vote (other than the aforesaid excluded matters) and that the member votes for or against the same.

Any vote cast under either of the procedures set forth in this paragraph F shall have the same force and effect as if the member in question had appeared at the meeting and had cast his vote in person.

EIGHTH: The affairs of the corporation shall be managed by a Board of five (5) directors, at least two of whom shall be members of the Association except as herein provided with regard to the initial Board of Directors. The initial Board of Directors shall consist of five (5) directors who shall hold office until the election of their successors. Beginning with the first annual meeting of the Association to be held on or before March 1, 1968, the members, at each such annual meeting, shall elect five (5) directors, at least two of whom shall be elected from among the membership of the Association, each for a term of one year. The names of those persons who are to act as directors until the election of their successors are:

JAMES W. ROUSE

WILLIAM E. FINLEY

WILLARD G. ROUSE

ROBERT E. HUFF

RICHARD L. ANDERSON

Any vacancy occurring in the initial or any subsequent Board of Directors may be filled at any meeting of the Board of Directors by the affirmative vote of a majority of the remaining directors, though less than a quorum of the Board of Directors, or by a sole remaining director, and if not previously so filled, shall be filled at the next meeting of members of the Association. Any director elected to fill a vacancy shall serve as such until the expiration of the term of the director, the vacancy in whose position he was elected to fill.

NINTH: The following provisions are hereby adopted for the purpose of defining, limiting and regulating the powers of the Association and of the directors and members:

1. The Board of Directors shall have power to determine from time to time whether and to what extent and at what times and places and under what conditions and regulations the books, accounts and documents of the Association, or any of them shall be open to the inspection of members, except as otherwise provided by statute or by the by-laws; and, except as so provided no member shall have any right to inspect any book, account or document of the Association unless authorized so to do by resolution of the Board of Directors.

2. The Association may enter into contracts and transact business with any director or member or with any corporation, partnership, trust or association of which any director or member is a stockholder, director, officer, partner, member, trustee, beneficiary, employee or in which any director or member is otherwise interested; and such contract or transaction shall not be invalidated or in any way affected by the fact that such director or member has or may have an interest therein which is or might be adverse to the interests of the Association, provided that the fact of such interest shall be disclosed or known to the other directors or members acting upon such contract or transaction; and such director or member may be counted in determining the existence of a quorum at any meeting of the members or Board of Directors which shall authorize any such contract or transaction and may vote thereat to authorize any such contract or transaction, with like force and effect as if he were not so interested. No director or member having disclosed or made

known an adverse interest shall be liable to the Association or any member or creditor thereof or any other person for any loss incurred by the Association under or by reason of any such contract or transaction, nor shall any such director or member be accountable for any gains or profits realized therefrom.

3. Any contract, transaction or act of the Association or of the Board of Directors which shall be ratified by a majority of the members having voting powers and attending any annual meeting, or attending any special meeting called for such purpose, shall so far as permitted by law be as valid and as binding as though ratified by every member of the Association, provided, that a quorum of members shall be present at any such meeting.

4. Any person who is serving or has served as a director or officer of the Association, or as a member of the Columbia Council, or as a member and director of CPRA, may be indemnified by the Association, insofar as it is able, and insofar as the Board of Directors shall by resolution determine, against expense actually and necessarily incurred by him in connection with the defense of any action, suit or proceedings in which he is made a party by reason of having been such a member or director, except in relation to matters as to which such person is adjudged in such action, suit or proceeding to be liable for negligence or misconduct in the performance of duty.

5. Members holding 10% of the total votes eligible to be cast shall constitute a quorum at any meeting of members. If a quorum is not present at any meeting of members, a majority of the members present may call a further meeting of members, in accordance with the provisions of §135 of Article 23 of the Annotated Code of Maryland (1957 Ed.), or other applicable law, and at such further meeting the members present shall constitute a quorum and by majority vote of those present may approve or authorize any proposed action, and take any other action, including, without limitation, the election of directors, which might have been taken at the original meeting, if a sufficient number of members had been present.

6. The Association reserves the right to make from time to time and at any time any amendment to its Charter, as then in effect, which may be now or may hereafter be authorized by law, provided, however, that no amendment shall be made except upon the affirmative vote of (i) two-thirds ($\frac{2}{3}$) of the Board of Directors then in office, and, (ii) a majority of the members entitled to vote.

7. There shall be no liquidation, dissolution, or winding up of the Association, nor any transfer of any of the assets of the Association except upon the affirmative vote of two-thirds ($\frac{2}{3}$) of the Board of Directors then in office, and, in addition, (i) upon the affirmative vote of at least two-thirds of the membership at a meeting at which a quorum of at least seventy-five per cent (75%) of the members entitled to vote is present or (ii) upon the execution by members entitled to cast two-thirds of the votes of those entitled to vote of a written instrument approving the proposed action. Upon any liquidation, dissolution or winding up of the Association hereunder, the property of the Association, both real and personal shall be dedicated to and vest in any non-profit corporation formed and operated for purposes similar to those set forth herein for the Association, Howard County, the State of Maryland, or the United States of America in the order stated.

8. The Board of Directors of the Association shall in each year, elect from among its members a chairman who shall preside at all meetings at which he is present.

9. The members of the Association shall in each year elect from among the members thereof a representative to serve a one year term as a member of the Columbia Council. The representative so elected shall be entitled, *ex officio*, to attend all meetings of the Board of Directors and shall have the same rights as a Director, except that he shall not have the right to vote as a Director on any matter.

10. The Board of Directors shall designate one person (who need not be a member of the Association) to serve as the Manager of the Association. The Manager of the Association shall, *ex officio*, be the secretary and the chief financial officer of the Association. It shall be the function and the responsibility of the Manager of the Association to (i) attend all meetings of members, and meetings of the Board of Directors, and to keep appropriate corporate records of all proceedings; (ii) to keep the fiscal records of the Association and to

prepare budgets in connection with the conduct and operation of the affairs of the Association; (iii) to provide liaison between CPRA and the Association and generally to advise the Association in the conduct and operation of its affairs; and (iv) to administer and manage the day to day affairs of the Association under the general supervision of the Board of Directors.

11. The Board of Directors of the Association may from time to time establish dues and assessments to be payable by the members of the Association, in accordance with the provisions of the Wilde Lake Declaration.

12. In exercising the right granted to the Association hereunder to place mortgages or deeds of trust on any part of the property owned by the Association, the Board of Directors shall have the right, without referring the matter to a vote of the Association, to place a mortgage or deed of trust on a portion of the property, provided that the proceeds of such mortgage or deed of trust, after paying any expenses incurred in connection with such borrowing, are devoted solely to the construction of improvements on that part of the property so subjected to the mortgage or deed of trust. All mortgages or deeds of trust not specifically permitted by the preceding sentence must be submitted to and approved by a majority of the members of the Association entitled to vote.

TENTH: The duration of the Association shall be perpetual.

ARTICLE I

MEMBERS

SECTION 1.01. *Annual Meetings.* The Association shall hold each year, commencing with the year 1968, an annual meeting of the members for the election of directors, the election of a representative to serve for a one year term as the representative of the Association to the Columbia Council, and the transaction of any business within the powers of the Association, at a time and place designated by the incumbent Board, provided that such meeting shall be in the month of April, and the date therefore, be established at least 90 days in advance. Any business of the Association may be transacted at an annual meeting without being specially designated in the notice, except such business as is specifically required by statute or by the charter to be stated in the notice. Failure to hold an annual meeting at the designated time shall not, however, invalidate the corporate existence or affect otherwise valid corporate acts.

SECTION 1.02. *Special Meetings.* At any time in the interval between annual meetings, special meetings of the members may be called by the Chairman of the Board or the Manager or by a majority of the Board of Directors by a vote at a meeting or in writing with or without a meeting.

SECTION 1.03. *Place of Meetings.* All meetings of members shall be held at the principal office of the Association except in cases in which the notice thereof designates some other place; but all such meetings shall be held in Columbia, Maryland.

SECTION 1.04. *Notice of Meetings.* Not less than ten days nor more than ninety days before the date of every members' meeting, the Manager shall provide in the Village Newsletter written or printed notice stating the time and place of the meeting and, in the case of a special meeting, the purpose or purposes for which the meeting is called. Any meeting of members, annual or special, may adjourn from time to time to reconvene at the same or some other place, and no notice need be given of any such adjourned meeting other than by announcement.

SECTION 1.05. *Quorum.* Unless otherwise provided in the Charter, at any meeting of members the presence in person of members entitled to cast 10% of the votes thereat shall constitute a quorum. In the absence of a quorum the members present in person, by majority vote and without notice other than by announcement, may adjourn the meeting from time to time until a quorum shall attend. In addition, at such a meeting where a quorum of members is not present in person, a majority of the members present may call a further meeting of members and at such further meeting the members present in person shall constitute a quorum and by majority vote of those present may approve or authorize any proposed action and take any other action, including, without limitation, the election of directors, which might have been taken at the original meeting, if a sufficient number of members had been present.

SECTION 1.06. *Votes Required.* A majority of the votes cast at a meeting of members, duly called and at which a quorum is present shall be sufficient to take or authorize action upon any matter which may properly come before the meeting unless more than a majority of votes cast is required by statute or by the charter. Unless the charter provides for a greater or lesser number of votes per member or limits or denies voting rights, each member, regardless of class, shall be entitled to one vote on each matter submitted to a vote at a meeting of members; but no member shall be entitled to any vote (except a vote for a representative on the Columbia Council):

- (i) If any dues established by the Board of Directors and payable by such member are due and unpaid at the time of such meeting.
- (ii) If any special assessment established by the Board of Directors and payable by such member is due and unpaid at the time of such meeting; or
- (iii) If such member, as determined by the Board of Directors, shall be, at the time of such meeting, in violation of any of the Wilde Lake Restrictions contained in the Deed Agreement and Declaration between The Howard Research And Development Corporation (HRD) and C. Aileen Ames, dated the 1st day of June, 1967, and filed for recording among the Land Records of Howard County (the “Wilde Lake Declaration”).

SECTION 1.07A. *Votes for Elections to be Cast in Person.* No member shall be entitled to assign the right to vote for the election of Directors or a Representative to the Columbia Council, by power of attorney, by proxy or otherwise, and no vote shall be valid unless cast in person by the individual member, provided, however, (i) that if the case of a corporate member, the vote may cast by the president or a vice president of such corporation or such other officer as may be designated in writing by the president or a vice president of the corporation; (ii) that members unable to attend a meeting at which Directors of the Association are to be elected or at which a representative to the Columbia Council is to be elected, shall be entitled to file a written vote under the procedure set forth in the Section 8.07; and (iii) agencies or instrumentalities of the Federal Government, if otherwise entitled to vote, may vote by written proxy.

SECTION 1.07B. *Votes for Non-Election Matters.* On any matter submitted to the members for vote, other than the election of Directors or the election of a representative to the Columbia Council, any member entitled to vote may cast a vote without attending the meeting in question by either of the following procedures:

- (i) the member may sign a written proxy designating a particular individual to cast the member’s vote on any issue coming before a particular meeting (other than the aforesaid excluded matters), which proxy shall be valid only with respect to the meeting specified therein; or
- (ii) file a written statement with the Board of Directors prior to the meeting in question, specifying the issue on which the member intends to vote (other than the aforesaid excluded matters) and that the member votes for or against the same.

Any vote cast under either of the procedures set forth in this Section 1.07B shall have the same force and effect as if the member in question had appeared at the same meeting and had cast the vote in person.

SECTION 1.08. *List of Members.* At each meeting of members a full, true and complete list in alphabetical order of all members entitled to vote at such meeting, certifying the number of votes to which each such member is entitled shall be furnished by the Manager. The method employed by the Manager in determining the names and addresses of members entitled to vote and the number of votes which may be cast by each of them shall have been approved by resolution of the Board of Directors.

SECTION 1.09. *Members.* The qualification for membership shall be that stated in the Charter of the Association.

SECTION 1.10. *Voting.* The rules and regulations concerning the right to vote shall be those stated in the Charter of the Association.

Any member who fails to pay any dues or any special assessment established by the Association shall not be entitled to vote during any period in which any such dues or assessments are due and unpaid.

D. The Association Board may make such regulations, consistent with the terms of the Wilde Lake Restrictions and the Association Charter, as it deems advisable for any meeting of members, in regard to proof of membership in the Association, evidence of right to vote, the appointment and duties of inspectors of votes, registration of members for voting purposes, and such other matters concerning the conduct of meetings and voting as it shall deem fit.

E. Except as specified in this paragraph and in paragraph F immediately following, no member shall be entitled to assign his right to vote, by power of attorney, by proxy or otherwise, and no vote shall be valid unless cast in person by the individual member, provided, however, (i) that in the case of a corporate member, the vote may be cast by an appropriate

officer of such corporation; (ii) that in the case of joint or common ownership as set forth in subparagraph B. of this Section 3.02, any one such member shall be entitled to cast the vote with respect to the Unit or lease in question; (iii) that members unable to attend a meeting at which Directors of the Association are to be elected or at which a representative to the Columbia Council is to be elected shall be entitled to file a written vote under absentee balloting regulation provided in the By-Laws; and (iv) agencies or instrumentalities of the Federal Government, if otherwise entitled to vote, may vote by written proxy.

F. On any matter submitted to the members for vote, other than the election of Directors of the Association or the election of a representative to the Columbia Council, any member entitled to vote may cast a vote without attending the meeting in question by either of the following procedures, at this election:

(i) the member may sign a written proxy designating a particular individual to cast the member's vote on any issue coming before a particular meeting (other than the aforesaid excluded matters), which proxy shall be valid only with respect to the meeting specified therein; or

(ii) file a written statement with the Board of Directors prior to the meeting in question, specifying the issue on which the member intends to vote (other than the aforesaid excluded matters) and that the member votes for or against the same.

Any vote cast under either of the procedures set forth in this paragraph F shall have the same force and effect as if the member in question had appeared at the meeting and had cast his vote in person.

Section 3.03. The Association shall adopt by-laws specifying the method by which it will be apprised of the names and addresses of all Owners and Tenants and the number of votes to which each is entitled as provided in Section 3.02 hereof.

ARTICLE IV

ASSOCIATION DUES AND ASSESSMENTS

Section 4.01. The Association Board shall have the right to charge members reasonable dues and to assess reasonable pro rata assessments for capital improvements; provided, however, that such dues and assessments shall not be enforceable obligations against any member nor shall they create liens against any part of the Property. The sole remedy for nonpayment of such dues or assessments shall be the suspension of the delinquent member's voting rights (except with respect to the casting of a vote for a representative to the Columbia Council) and the right to use Association Land until such payment is made, but no such suspension shall in any manner relieve the member of the obligation to abide by all Wilde Lake Restrictions. In order to regain the right to vote and to use Association Land, the delinquent member need pay only the then current dues and assessments and need not pay delinquent dues and assessments for prior years.

ARTICLE V

PROPERTY RIGHTS

Section 5.01. Every member shall have a right and easement of enjoyment in and to Association Land and such easement shall be appurtenant to and shall pass with any of the interests described in Sections 1.17 or 1.20 hereof. All such rights and easements are subject to the right of the Association, in accordance with the Association Charter and By-Laws:

(a) to limit the number of guests of members in or upon any Association Land or any facilities located thereon;

(b) to charge reasonable admission and other fees for the use of any recreational facilities situated upon Association Land;

(c) to borrow money for the purpose of improving Association Land and in aid thereof to mortgage the same;

(d) to suspend the voting rights and right to use of any such recreational facilities by a member for any period during which any dues or any assessment remain unpaid or during which a violation of the Wilde Lake Restrictions exists; and for a period not to exceed 30 days for any infraction of rules and regulations adopted and promulgated by the Association;

(e) to grant easements or rights of way to any public utility corporation or public agency;

(f) to dedicate or transfer all or any part of the Association Land to any public agency or authority or to CPRA for such purposes and subject to such conditions as may be agreed to by the Association and such transferee. No such dedication or transfer shall be effective unless an instrument signed by members entitled to cast two-thirds ($\frac{2}{3}$) of the votes has been properly filed among the records of the Association, agreeing to such dedication or transfer, and unless written notice of the proposed action is sent to every member not less than thirty (30) days nor more than sixty (60) days in advance of the meeting at which such instrument is first presented for signature.

Section 5.02. A member's right of enjoyment in Association Land shall automatically extend to all members of his immediate family residing on any part of the Property. No guests shall be entitled to exercise such right of enjoyment or to any use of Association Land except as provided in, and subject to, such regulations as may be promulgated by the Association Board.

ARTICLE VI

COVENANTS FOR MAINTENANCE

Section 6.01. Each Owner shall keep all Lots owned by him, and all improvements thereon or thereon, in good order and repair, including but not limited to, the seeding, watering and mowing of all lawns, the pruning and cutting of all trees and shrubbery and the painting (or other appropriate external care) of all buildings and other improvements, all in a manner and with such frequency as is consistent with good property management. If, in the opinion of the "Architectural Committee", as hereinafter defined, any Owner fails to perform the duties imposed by the preceding sentence, CPRA or the Association, after approval by a two-thirds ($\frac{2}{3}$) decision of the Association Board, and after fifteen (15) days' written notice to Owner to remedy the condition in question, shall have the right, through its agents and employees, to enter upon the Lot in question and to repair, maintain, repaint and restore the Lot or such improvements and the cost thereof shall be a binding, personal obligation of such Owner as well as a lien (enforceable in the same manner as a mortgage) upon the Lot in question.

Section 6.02. The lien provided in Section 6.01 hereof shall not be valid as against a *bona fide* purchaser (or *bona fide* mortgagee) of the Lot in question unless a suit to enforce said lien shall have been filed in a court of record in Howard County prior to the recordation among the Land Records of Howard County of the deed (or mortgage) conveying the Lot in question to such purchaser (or subjecting the same to such mortgage).

ARTICLE VII

ARCHITECTURAL COMMITTEE; ARCHITECTURAL CONTROL

Section 7.01. The "Architectural Committee" shall be composed of those three or more individuals so designated from time to time (i) by HRD during the Development Period and (ii) by

CPRA and the Association after the Development Period, CPRA being entitled at all times after the Development Period to appoint a majority thereof. Except as hereinafter provided, the affirmative vote of a majority of the membership of the Architectural Committee shall be required in order to adopt or promulgate any rule or regulation, or to make any findings, determinations, ruling or order, or to issue any permit, authorization or approval pursuant to directives or authorizations contained herein. With regard to review of plans and specifications as set forth in this Article VII, however, and with regard to all other specific matters (other than the promulgation of rules and regulations) as may be specified by resolution of the entire Architectural Committee, each individual member of the Architectural Committee shall be authorized to exercise the full authority granted herein to the Architectural Committee. Any approval by one such member of any plans and specifications submitted under this Article VII, or the granting of any approval, permit or authorization by one such member in accordance with the terms hereof, shall be final and binding. Any disapproval, or approval based upon modification or specified conditions by one such member shall also be final and binding, provided, however, that in any such case, any applicant for such approval, permit or authorization may, within ten (10) days after receipt of notice of any such adverse decision, file a written request to have the matter in question reviewed by the entire Architectural Committee. Upon the filing of any such request, the matter with respect to which such request was filed shall be submitted to and reviewed as soon as possible by the entire Architectural Committee. Thereafter, the decision of a majority of the members of the Architectural Committee with respect to such matter shall be final and binding.

Section 7.02. No Structure shall be commenced, erected, placed, moved on to or permitted to remain on any Lot, nor shall any existing Structure upon any Lot be altered in any way which materially changes the exterior appearance thereof, nor shall any new use be commenced on any Lot, unless plans and specifications (including a description of any proposed new use) therefor shall have been submitted to and approved in writing by the Architectural Committee. Such plans and specifications shall be in such form and shall contain such information, as may be required by the Architectural Committee, but in any event shall include (i) a site plan of the Lot showing the nature, exterior color scheme, kind, shape, height, materials and location with respect to the particular Lot (including proposed front, rear and side set-backs and free spaces, if any are proposed) of all Structures, the location thereof with reference to Structures on adjoining portions of the Property, and the number and location of all parking spaces and driveways on the Lot; and (ii) a grading plan for the particular Lot.

Section 7.03. The Architectural Committee shall have the right to disapprove any plans and specifications submitted hereunder because of any of the following:

- (a) the failure of such plans or specifications to comply with any of the Wilde Lake Restrictions;
- (b) failure to include information in such plans and specifications as may have been reasonably requested;
- (c) objection to the exterior design, appearance or materials of any proposed Structure;
- (d) incompatibility of any proposed Structure or use with existing Structures or uses upon other Lots in the vicinity;
- (e) objection to the location of any proposed Structure upon any Lot or with reference to other Lots in the vicinity;
- (f) objection to the grading plan for any Lot;
- (g) objection to the color scheme, finish, proportions, style of architecture, height, bulk or appropriateness of any proposed Structure;

(h) objection to parking areas proposed for any Lot on the grounds of (i) incompatibility to proposed uses and Structures on such Lot or (ii) the insufficiency of the size of parking areas in relation to the proposed use of the Lot; or

(i) any other matter which, in the judgment of the Architectural Committee, would render the proposed Structure, Structures or uses inharmonious with the general plan of improvement of the Property or with Structures or uses located upon other Lots in the vicinity.

In any case where the Architectural Committee shall disapprove any plans and specifications submitted hereunder, or shall approve the same only as modified or upon specified conditions, such disapproval or qualified approval shall be accompanied by a statement of the grounds upon which such action was based. In any such case the Architectural Committee shall, if requested, make reasonable efforts to assist and advise the applicant in order that an acceptable proposal can be prepared and submitted for approval.

Section 7.04. Upon approval by the Architectural Committee of any plans and specifications submitted hereunder, a copy of such plans and specifications, as approved, shall be deposited for permanent record with the Architectural Committee, and a copy of such plans and specifications bearing such approval, in writing, shall be returned to the applicant submitting the same.

Section 7.05. The Architectural Committee may promulgate rules governing the form and content of plans to be submitted for approval or requiring specific improvements on Lots, including, without limitation, exterior lighting and planting, and may issue statements of policy with respect to approval or disapproval of the architectural styles or details, or other matters, which may be presented for approval. Such rules and such statements of policy may be amended or revoked by the Architectural Committee at any time, and no inclusion in, omission from or amendment of any such rule or statement shall be deemed to bind the Architectural Committee to approve or disapprove any feature or matter subject to approval, or to waive the exercise of the Architectural Committee's discretion as to any such matter, but no change of policy shall affect the finality of any approval granted prior to such change. Approval for use on any Lot of any plans or specifications shall not be deemed a waiver of the Architectural Committee's right, in its discretion, to disapprove such plans or specifications or any of the features or elements included therein if such plans, specifications, features or elements are subsequently submitted for use on any other Lot or Lots. Approval of any such plans and specifications relating to any Lot, however, shall be final as to that Lot and such approval may not be revoked or rescinded thereafter, provided, (i) that the Structures or uses shown or described on or in such plans and specifications do not violate any specific prohibition contained in the Wilde Lake Restrictions, and (ii) that the plans and specifications, as approved, and any condition attached to any such approval, have been adhered to and complied with in regard to all Structures on and uses of the Lot in question.

In the event that the Architectural Committee fails to approve or disapprove any plans and specifications as herein provided within sixty (60) days after submission thereof, the same shall be deemed to have been approved, as submitted, and no further action shall be required.

Section 7.06. If any Structure shall be altered, erected, placed or maintained upon any Lot, or any new use commenced on any Lot, otherwise than in accordance with plans and specifications approved by the Architectural Committee pursuant to the provisions of this Article VII, such alteration, erection, maintenance or use shall be deemed to have been undertaken in violation of this Article VII and without the approval required herein, and, upon written notice from the Architectural Committee, any such Structure so altered, erected, placed or maintained upon any Lot in violation hereof shall be removed or realtered, and any such use shall be terminated, so as to extinguish such violation.

If fifteen (15) days after the notice of such a violation the Owner of the Lot upon which such violation exists shall not have taken reasonable steps toward the removal or termination of the same, CPRA or the Association shall have the right, through its agents and employees, to enter upon such Lot and to take such steps as may be necessary to extinguish such violation and the cost thereof shall be a binding, personal obligation of such Owner as well as a lien (enforceable in the same manner as a mortgage) upon the Lot in question. The lien provided in this Section 7.06 shall not be valid as against a *bona fide* purchaser (or *bona fide* mortgagee) of the Lot in question unless a suit to enforce said lien shall have been filed in a court of record in Howard County prior to the recordation among the Land Records of Howard County of the deed (or mortgage) conveying the Lot in question to such purchaser (or subjecting the same to such mortgage).

Section 7.07. Upon completion of the construction or alteration of any Structure in accordance with plans and specifications approved by the Architectural Committee, the Architectural Committee shall, upon written request of the Owner thereof, issue a certificate of compliance in form suitable for recordation, identifying such Structure and the Lot on which such Structure is placed, and stating that the plans and specifications, the location of such Structure and the use or uses to be conducted thereon have been approved and that such Structure complies therewith. Preparation and recording of such certificate shall be at the expense of such Owner. Any certificate of compliance issued in accordance with the provisions of this Section 7.07 shall be prima facie evidence of the facts therein stated, and as to any purchaser or encumbrancer in good faith and for value, or as to any title insurer, such certificate shall be conclusive evidence that all Structures on the Lot, and the use or uses described therein comply with all the requirements of this Article VII, and with all other requirements of this Declaration as to which the Architectural Committee exercises any discretionary or interpretive powers.

Section 7.08. The Architectural Committee may charge and collect a reasonable fee for the examination of any plans and specifications submitted for approval pursuant to this Article VII, payable at the time such plans and specifications are so submitted, provided, that such fee shall not exceed fifty per cent (50%) of the amount chargeable by the appropriate governmental authority for the application for and processing of building permits for structures on the Lot with regard to which such plans and specifications are submitted.

Section 7.09. Any agent of HRD, CPRA, the Association or the Architectural Committee may at any reasonable time or times enter upon and inspect any Lot and any improvements thereon for the purpose of ascertaining whether the maintenance of such Lot and the maintenance, construction, or alteration of Structures thereon are in compliance with the provisions hereof; and neither HRD, CPRA, the Association nor the Architectural Committee nor any such agent shall be deemed to have committed a trespass or other wrongful act by reason of such entry or inspection.

ARTICLE VIII

GENERAL COVENANTS AND RESTRICTIONS

Section 8.01. Without the prior written approval of the Architectural Committee:

- (a) No previously approved Structure shall be used for any purpose other than that for which it was originally designed;
- (b) No Lot shall be split, divided, or subdivided for sale, resale, gift, transfer or otherwise;

Section 8.02. No tree having a diameter of six (6) inches or more (measured from a point two feet above ground level) shall be removed from any Lot without the express written authorization of CPRA. CPRA, in its discretion, may adopt and promulgate rules and regulations regarding the preservation of trees and other natural resources and wildlife upon the Property. If it shall deem it appropriate, CPRA may mark certain trees, regardless of size, as not removable without written authorization. In carrying out the provisions of this Section 8.02, CPRA and the Architectural Committee and the respective agents of each may come upon any Lot during reasonable hours for the purpose of inspecting or marking trees or in relation to the enforcement and administration of any rules and regulations adopted and promulgated pursuant to the provisions hereof. Neither CPRA nor the Architectural Committee, nor their respective agents shall be deemed to have committed a trespass or wrongful act by reason of any such entry or inspection.

Section 8.03. No birds, animals or insects shall be kept or maintained on any Lot except for domestic purposes. Under no circumstances shall any commercial or business enterprise involving the use of animals be conducted on the Property without the express written consent of the Architectural Committee. The Architectural Committee may, from time to time, publish and impose reasonable regulations setting forth the type and number of animals that may be kept on any Lot.

Section 8.04. No sign or other advertising device of any nature shall be placed upon any Lot except as provided herein. The Architectural Committee may, in its discretion, adopt and promulgate rules and regulations relating to signs which may be employed. Signs and other advertising devices may be erected and maintained upon any portion of the Property zoned for industrial or commercial uses if approved by the Architectural Committee, as to color, location, nature, size and other characteristics of such signs or devices.

Section 8.05. No temporary building, trailer, garage or building in the course of construction or other Structure shall be used, temporarily, or permanently, as a residence on any Lot.

Section 8.06. No lumber, metals, bulk materials, refuse or trash shall be kept, stored, or allowed to accumulate on any Lot, except building materials during the course of construction of any approved Structure. If trash or other refuse is to be disposed of by being picked up and carried away on a regular and recurring basis, containers may be placed in the open, on any day that a pick-up is to be made, at such place on the Lot so as to provide access to persons making such pick-up. At all other times such containers shall be stored in such a manner so that they cannot be seen from adjacent and surrounding property. The Architectural Committee, in its discretion, may adopt and promulgate reasonable rules and regulations relating to the size, shape, color and type of containers permitted and the manner of storage of the same on the Property.

Section 8.07. No water pipe, gas pipe, sewer pipe or drainage pipe shall be installed or maintained on any Lot above the surface of the ground, except hoses and movable pipes used for irrigation purposes. No Lot shall be used for the purpose of boring, mining, quarrying, exploring for or removing oil or other hydrocarbons, minerals, gravel or earth.

Section 8.08. CPRA and the Association shall have the right to enter upon any Lot and trim or prune, at the expense of the Owner, any hedge or other planting which in the opinion of CPRA or the Association, by reason of its location upon the Lot or the height to which it is permitted to grow, is unreasonably detrimental to the adjoining property or obscures the view of street traffic or is unattractive in appearance; provided, however, that the Owner shall be given fifteen (15) days prior written notice of such action.

ARTICLE IX

EASEMENTS

Section 9.01. Easements and rights-of-way are hereby expressly reserved to HRD, its successors and assigns, in, on, over and under the "easement area", as hereinafter defined, of each Lot, for the following purposes:

(a) For the erection, installation, construction and maintenance of (i) poles, wires, lines and conduits, and the necessary or proper attachments in connection with the transmission of electricity, telephone, community antenna television cables and other utilities and other similar facilities, and (ii) storm-water drains, land drains, public and private sewers, pipe lines for supplying gas, water and heat, and for any other public or quasi-public utility facility, service or function, whether above ground or underground; and

HRD and CPRA, and their respective agents, successors and assigns, shall have the right to enter upon all parts of the easement area of each Lot for any of the purposes for which said easements and rights of way are reserved.

HRD and CPRA shall also have the right at the time of, or after, grading any street, or any part thereof, to enter upon any abutting Lot and grade the portion of such Lot adjacent to such street to a slope of 2 to 1, but there shall be no obligation on either of them to do such grading or to maintain the slope.

Section 9.02. The term "easement area", as used herein, shall mean and refer (i) to those areas on each Lot with respect to which easements are shown on the recorded subdivision plat relating thereto; or (ii) if no easements are shown on any such plat, to a strip of land within the lot lines of each Lot ten (10) feet in width in the front and rear of the Lot and five (5) feet in width on each side, each said distance being measured in each case from the lot line toward the center of the Lot.

ARTICLE X

ZONING AND SPECIFIC RESTRICTIONS

Section 10.01. The Wilde Lake Restrictions shall not be taken as permitting any action or thing prohibited by the applicable zoning laws, or the laws, rules or regulations of any governmental authority, or by specific restrictions imposed by any deed or lease. In the event of any conflict, the most restrictive provision of such laws, rules, regulations, deeds, leases or the Wilde Lake Restrictions shall be taken to govern and control.

Section 10.02. Every Owner, by the acceptance of a deed, lease or other instrument conveying any interest described in Section 1.17 hereof acknowledges and agrees, as part of the consideration therefor, that any and all Land Use Controls and Final Development Plan Criteria set forth on any Final Development Plan (or any phase thereof) affecting the Property, or any portion thereof, filed and recorded among the Land Records of Howard County, Maryland, pursuant to Section 17 (or any successor section or part) of the Zoning Regulations of Howard County, Maryland, do not in any way give rise to any legal or equitable right, servitude, easement or other interest appurtenant to the Property or any portion thereof.

No such profession or home industry shall be permitted, however, unless it is considered, by the Architectural Committee, to be compatible with a high quality residential neighborhood. The following activities, without limitation, may be permitted by the Architectural Committee in its discretion: music, art and dancing classes; day nurseries and schools; medical and dental offices; fraternal or social club meeting place; seamstress services.

No machinery shall be placed or operate upon any Lot except such machinery as is usual in maintenance of a private residence.

Section 11.05. Notwithstanding other provisions herein, the Architectural Committee may authorize any Owner with respect to his Lot to:

- (a) temporarily use a single family dwelling house for more than one family;
- (b) maintain a sign other than as expressly permitted herein;
- (c) locate structures other than the principal dwelling house within set-back areas; or
- (d) use Structures other than the principal dwelling house for residence purposes on a temporary basis.

ARTICLE XII

WATERFRONT AREAS AND WATERWAYS

Section 12.01. Any Lot which shall abut upon any lake, stream, river, canal or other waterway (hereinafter collectively referred to as "Waterways") shall be subject to the following additional restrictions:

- (a) No wharf, pier, bulkhead, or other structure or obstruction shall be built or maintained upon any waterfront site or into or upon any Waterway on the Property or adjacent thereto except with the specific written approval of CPRA. In no event shall any such structure or obstruction be permitted if it is deemed to offer any threat whatsoever to safe navigation upon such Waterway or to the safe and convenient use of such Waterway as a recreation facility.
- (b) No boat canal shall be constructed upon any Lot nor shall any facility or device be constructed or installed upon any Lot which shall in any way alter the course of or natural boundaries of any Waterway or which shall involve or result in the removal of water from any Waterway.

This Declaration may not be amended in any respect (except with regard to the annexation of additional properties as set forth in Section 2.02 hereof) except by the execution of an instrument signed by not less than 90% of the Lot Owners, which instrument shall be filed for recording among the Land Records of Howard County, Maryland, or in such other place of recording as may be appropriate at the time of the execution of such instrument. After December 31, 2016, this declaration may be amended and/or terminated in its entirety by an instrument signed by not less than 67% of the Lot Owners which instrument shall be filed for recording among the Land Records of Howard County, Maryland, or in such other place of recording as may be appropriate at the time of the execution of such instrument.

ARTICLE XIV

GENERAL

Section 14.01. Violation or breach of any Restriction herein contained shall give Declarant, CPRA or the Association, their respective legal representatives, heirs, successors and assigns, in addition to all other remedies, the right to enter upon the land upon or as to which such violation or breach exists, and summarily to abate and remove, at the expense of the Owner thereof, any erection, thing or condition that may be or exist thereon contrary to the intent and meaning of the provisions hereof; and the said parties shall not thereby be deemed guilty of any manner of trespass for such entry, abatement or removal. Nothing herein contained shall be deemed to affect or limit the rights of the Owners of the Lots within the Property to enforce the Wilde Lake Restrictions by appropriate judicial proceedings.

Section 14.02. The failure of Declarant, CPRA, the Association or the Owner of any Lot included in the Property, their respective legal representatives, heirs, successors and assigns, to enforce any Restriction herein contained shall in no event be considered a waiver of the right to do so thereafter, as to the same violation or breach or as to such a violation or breach occurring prior or subsequent thereto.

Section 14.03. No Restriction herein is intended to be, or shall be construed as, a condition subsequent or as creating a possibility of reverter.

Section 14.04. The determination by a court that any provision hereof is invalid for any reason shall not affect the validity of any other provision hereof.

Section 14.05. Damages shall not be deemed adequate compensation for any breach or violation of any provision hereof, but any person or entity entitled to enforce any provision hereof shall be entitled to relief by way of injunction as well as any other available relief either at law or in equity.

Section 14.06. Any party to a proceeding who succeeds in enforcing a Restriction or enjoining the violation of a Restriction against a Lot Owner may be awarded a reasonable attorneys' fee against such Lot Owner.

Section 14.07. CPRA, and the Architectural Committee where specifically authorized herein to act, shall have the right to construe and interpret the provisions of this declaration, and in the absence of an adjudication by a court of competent jurisdiction to the contrary, its construction or interpretation shall be final and binding as to all persons or property benefited or bound by the provisions hereof. Any conflict between any construction or interpretation of CPRA and that of any other person or entity entitled to enforce the provisions hereof shall be resolved in favor of the construction or interpretation of CPRA (or the Architectural Committee when acting as set forth above).

CPRA, and the Architectural Committee to the extent specifically provided herein, may adopt and promulgate reasonable rules and regulations regarding the administration, interpretation and enforcement of the provisions of this Declaration. In so adopting and promulgating such rules and regulations, and in making any finding, determination, ruling or order or in carrying out any directive contained herein relating to the issuance of permits, authorizations, approvals, rules or regulations, CPRA and the Architectural Committee shall take into consideration the best interests of the Owners and Tenants and of the Property to the end that the Property shall be preserved and maintained as a high quality community.

In granting any permit, authorization, or approval, as herein provided, CPRA and the Architectural Committee may impose any conditions or limitations thereon as they shall deem advisable under the circumstances in each case in light of the considerations set forth in the immediately preceding paragraph hereof.

Section 14.08. The headings of the Articles herein are for convenience only and shall not affect the meanings or interpretation of the contents thereof.

Section 14.09. No violation of any of these Wilde Lake Restrictions shall defeat or render invalid the lien of any mortgage made in good faith and for value upon any portion of the Property; provided, however, that any mortgagee in actual possession, or any purchaser at any mortgagees' or foreclosure sale shall be bound by and subject to these Wilde Lake Restrictions as fully as any other Owner of any portion of the Property.

Section 14.10. Each grantee accepting a deed, lease or other instrument conveying any interest in any Lot, whether or not the same incorporates or refers to these Wilde Lake Restrictions, covenants for himself, his heirs, successors and assigns to observe, perform and be bound by these Wilde Lake Restrictions and to incorporate the same by reference in any deed or other conveyance of all or any portion of his interest in any real property subject hereto.

1.0 INTRODUCTION

The Wilde Lake Community Association, in conjunction with the Wilde Lake Village Board and the Wilde Lake Architectural Committee (AC), are pleased to present a detailed set of revised and updated guidelines for maintenance standards, exterior alterations, and in-home businesses for residential and some commercial property in the Village of Wilde Lake. These guidelines are designed to provide parameters for maintenance, to help with plans to alter the exterior appearance of homes, and to establish acceptable home industries and professions. The intent of these guidelines, and the Covenants upon which they are based, is to ensure that the appearance of our village is maintained while allowing Wilde Lake residents the fullest enjoyment of their properties.

This set of guidelines provides answers to your questions about how the Wilde Lake Architectural Committee operates. The Committee is available to assist residents in developing and, if necessary, modifying their applications so that proposed changes fall within these guidelines. Alterations and in-home businesses approved by the Wilde Lake Architectural Committee may also be subject to local association covenants or restrictions and to the additional requirements of Howard County. It is the homeowner's responsibility to ensure compliance with all applicable restrictions.

Questions concerning these guidelines or the *Wilde Lake Village Covenants* should be directed to the Covenant Advisor at the village office in Slayton House. (covenants@wildelake.org, 410-730-3987)

One of the reasons Wilde Lake is a special place is that all property is subject to the *Wilde Lake Village Covenants*, designed to:

- Encourage environmental excellence. Wilde Lake encourages and promotes low impact, environmentally responsible landscaping. For a complete explanation of this topic please click on this link: [Wilde Lake Village Recommendations to Residents for Environmentally Friendly Landscaping Practices](#) (Adobe Reader required).
- Preserve the design and architectural integrity of Wilde Lake's land and dwellings.
- Maintain the high aesthetic standards that make Wilde Lake such an attractive and desirable place to live.

- Prevent the deterioration of neighborhoods by enforcing good maintenance and property standards.

These objectives are accomplished through the architectural review system and covenant enforcement. This user's guide provides useful information for residents.

1.1 A High-Quality Community

The planned community of Wilde Lake has a variety of styles of detached single-family homes, townhouses, condominiums, and apartment complexes.

While the architectural integrity of the village is important, Wilde Lake is now more than 50 years old. What were acceptable building practices 50 years ago may not be today, just as what is acceptable today may not be five years from now. Colors and materials available 50 years ago may not be available now. Today's popular design and available materials may differ from the developer's original concept for Wilde Lake.

Keep in mind that these are guidelines and not necessarily rules. If the only issues were related strictly to design and only to what is set forth in these guidelines, Architectural Committee (AC) members could perform their jobs easily. What makes their duties challenging is the need to balance the rights and expectations of property owners with those of their neighbors and the community.

1.2 What are the Covenants?

The *Wilde Lake Village Covenants*, which establish the authority for the Architectural Committee, are a binding legal contract between the Village of Wilde Lake and all property owners.

The Covenants give the Architectural Committee the responsibility to set rules and procedures for architectural controls. There are similar Covenants for each of the other Villages in Columbia.

The Covenants "run with the land" as part of your deed of ownership and cannot be changed. When the development period of our Village was completed, the Covenants became a contract between the Wilde Lake

Community Association, as represented by its elected Board of Directors (the “Village Board”), and the residents.

For further information, please see Article VIII “GENERAL COVENANTS AND RESTRICTIONS” of the “Wilde Lake Village Covenants – DEED, AGREEMENT AND DECLARATION.”

The *Wilde Lake Village Covenants* assure property owners and residents a minimum standard of architectural design and property maintenance throughout the village. These Covenants enable residents (by way of the complaint process), as well as the Wilde Lake Community Association, to have input into decision making and the enforcement of the Covenants. (See the Maintenance Standards Section of this document.)

Copies of the Covenants are available at Slayton House, 10400 Cross Fox Lane; from the [Wilde Lake Community Association website](#) (requires Adobe Reader); or via email from the Covenant Advisor, covenants@wildelake.org.

Covenants should be issued to new homeowners at the transfer of property ownership.

2.0 THE ARCHITECTURAL REVIEW PROCESS

Any exterior alteration that materially changes the appearance of a structure located in the Village of Wilde Lake must be approved through the architectural review process. The following section describes this process.

2.1 The Residential Architectural Committee (RAC)

The Wilde Lake Village Board appoints a minimum of five volunteer Wilde Lake residents as the Resident Architectural Committee. The RAC meetings are held every second and fourth Tuesday of the month, excepting holidays, and are open to the public.

The RAC is the initial committee to review the applications for exterior alterations:

- A site visit is made to the property to assess the proposed change.
- A discussion of the application is held at a regularly scheduled RAC meeting. Residents may speak in favor of or opposition to applications on the agenda. The discussion is followed by a vote to either recommend approval as submitted, approval with modification(s), or disapproval. The majority vote then becomes the RAC's recommendation to the Wilde Lake Architectural Committee.
- If the application is incomplete in the judgment of the RAC, it may be tabled, and the applicant may be requested to submit additional information for consideration at the next RAC meeting.

Public notice of applications coming up for consideration by the RAC occurs in the weekly [Wilde Lake E-Newsletter](#), available in the What's Happening section of the WLCA website and on the [published agenda in the Covenants section](#) of the WLCA website. The Village Covenant Advisor can be contacted at 410-730-3987 or covenants@wildelake.org to answer questions about applications coming before the RAC.

2.2 The Architectural Committee (AC)

The Architectural Committee consists of five members of the Wilde Lake Village Board. The Architectural Committee shall designate a member of the AC as the AC Liaison. This member of the AC shall be responsible for making a final determination on all Resident Architectural Committee (RAC) recommendations, based upon the Covenants and these Guidelines. The AC Liaison will make a site visit prior to making a final determination on any application in which there is a recommendation to disapprove, there is not a unanimous RAC vote, or there is neighbor opposition. The AC Liaison will process residential applications within five business days of the RAC recommendation. Any applicant who is not satisfied with the RAC recommendation and AC Liaison decision may, within ten days of the decision, request in writing or email a full Architectural Committee review of the decision. That decision will be final and binding.

2.3 Fast Track Process

For certain residential exterior alterations, a *Fast Track* application review process is available to shorten processing time. The standard Application for Exterior Alteration form is also used for *Fast Track* requests, and it **must be complete** at the time of submission for *Fast Track* consideration.

Under given criteria, as described elsewhere in this *Wilde Lake Architectural Guidelines and Maintenance Standards*, the following alteration categories qualify for *Fast Track*:

- Accessibility – Handrails, Ramps, Wheelchair/Stair Lifts
- Electric Car Chargers
- Entry Doors
- Garage Doors
- HVAC Units
- Roofing
- Skylights
- Storm Doors
- Windows

Upon receipt of applications for *Fast Track* review, the Covenant Advisor will certify that the application meets the eligibility criteria for *Fast Track* process. If the project meets a *Fast Track* criterion and if the application is

complete, it will be reviewed by the Architectural Committee Liaison, and the applicant will be notified of the decision by email (or phone if no email address is provided) within five business days.

Please note that *Fast Track* may not be available at certain times, such as holidays, due to scheduling difficulties. If an application cannot be reviewed under the *Fast Track* process, the applicant will be notified, and it will be scheduled on a regular Residential Architectural Committee agenda. The AC Liaison has the right to request that any application submitted under *Fast Track* be first reviewed by the full RAC before making a final decision.

2.4 Additional Approvals

The property owner is responsible for obtaining all required Howard County approvals. Applicants should contact the Department of Inspections, Licenses and Permits (410-313-2455) to verify and obtain the required permits before beginning any work.

Applicants who live in a townhouse or condominium community having a Homeowners Association (HOA) may need to obtain approval for exterior alterations. Check with your HOA to determine if this is the case. Approval by the Wilde Lake Architectural Committee is independent of HOA approval and does not imply or supersede HOA approval, nor does HOA approval substitute for Architectural Committee approval.

2.5 A Few Words on Covenant Compliance

Wilde Lake Covenant compliance is characterized by the following:

- It is an anonymous, complaint driven process.
- The process must meet the requirements of the Columbia Association Architectural Resource Committee (ARC).
- Letters of Compliance.

A Complaint Driven Process

The Wilde Lake Community Association (WLCA) does not employ a full-time person to inspect the Village for Covenant violations. Instead, the WLCA relies on the residents of Wilde Lake to maintain their properties.

Covenant enforcement can only be effective if residents are responsive to observed violations.

The process is simple and completely anonymous. If a resident observes what she or he perceives is a Covenant violation, the resident may contact the Wilde Lake Covenant Advisor (410-730-3987, covenants@wildelake.org) and describe the nature and location of the perceived violation. The Covenant Advisor will visit the property in question and determine if the condition is in fact a violation.

If the property is found to be in violation of the Covenants, the Covenant Advisor will contact the owner of the property. In most cases, the owner and Covenant Advisor work out a means to bring the property into compliance.

Columbia Association Architectural Resource Committee

In those cases where a property owner does not correct a Covenant violation within a reasonable amount of time, the case is forwarded to the Columbia Association Architectural Resource Committee (ARC). The ARC is a committee chartered by the Columbia Association and is not part of the Wilde Lake Community Association. It recommends whether the Columbia Association should join a legal suit against the owner whose property is in violation of the Covenants.

The Columbia Association ARC will only consider Covenant violation cases in which the property owner has been given a reasonable chance to correct a violation. If the ARC decides the case is valid, Columbia Association will proceed to bring legal action against the property owner. If the ARC does not accept the case, it is referred back to the Village.

Letter of Compliance

The Wilde Lake Covenant Advisor inspects properties for compliance for property owners (or their duly authorized agents) who request inspection by submitting the [Letter of Compliance Request Form](#) available online (requires Adobe Reader). The Letter of Compliance states that on the date of review, the property was found to not have any outstanding Covenant or maintenance violations. In addition, the Covenant Advisor will check to ensure that all exterior alterations have Wilde Lake Architectural Committee approval.

A Letter of Compliance is most frequently requested when a property is being sold as buyers may want to know there are no Covenant violations.

After inspection by the Covenant Advisor, the Owner will receive a letter either stating the property is in compliance or information detailing what items must be addressed to be in compliance.

The list of maintenance standards described in Section 3 serves as a partial checklist for inspecting properties in response to a Request for Letter of Compliance.

2.6 General Policy for Access to Village Documents

- Any property owner, property owner's mortgagee, or their respective duly authorized agents or attorneys may request in writing to examine and/or copy any records kept by or on behalf of the Village of Wilde Lake, with the exception of those which concern personnel records, an individual's medical records, records relating to business transactions that are currently in negotiation, or the written and confidential advice of legal counsel.
- Copies of such records will be supplied on written request for a fee of \$15.00* per hour for the staff time required to locate and prepare the documents, plus a charge of \$.10* per page (\$.15* for 2-sided copies).
- Should a property owner, property owner's mortgagee, or their respective duly authorized agents or attorneys desire to examine books and records in person, upon written request an appointment will be arranged. Staff will provide the requested documents and remain present while they are reviewed. A fee of \$15.00* per hour will be charged for staff time. Copies will be available at the cited rates.
- Requests that are estimated to require more than one hour of staff time shall be paid in advance.

* Prices quoted are subject to change without notice.

3.0 MAINTENANCE STANDARDS

The maintenance of residential property is the responsibility of every property owner. Each property owner has the following responsibilities:

1. Seeding, weeding, watering, and mowing the grass strip between the adjacent sidewalk(s) and the street.
2. Snow removal from sidewalks adjacent to his/her lot.
3. Pruning, cutting and care of all trees and shrubbery on his/her lot.
4. Painting or other appropriate external care of building and other structures on his/her lot.

Residents should also take cooperative responsibility for the maintenance of their cul-de-sac. Neither Howard County nor Columbia Association maintains cul-de-sacs.

3.1 Bulk Items

Bulk items (boxes and bins, ladders, lawn-care equipment, for example) are not to be stored or accumulated on any lot. Store bulk items out of sight or discard them. Do not cover items with a brightly colored tarp.

3.2 Driveways

Driveways that are deteriorating should be repaired or replaced.

3.3 Fences

Fences should be in good repair, standing straight with no broken or missing boards and no peeling paint. An approved application is required for new fences, removing fences in some cases, or a change in style.

3.4 Grass

Grass should be mowed and trimmed on a regular basis during growing season. Tall weeds and overgrown vines should be trimmed or removed.

3.5 Gutters & Downspouts

Gutters and downspouts should be in place and secure, with no peeling paint. Gutters should be clean of tree debris and dirt. An approved application may be needed for new gutters.

Drainage, overflow, and stormwater runoff must not be discharged directly onto neighboring properties. For single-family detached residences (not

townhomes) excess water should discharge at least six feet within the homeowner's property lines.

When possible, downspouts should not discharge directly onto driveways, sidewalks, or impermeable surfaces, but rather into grass or landscaped beds.

3.6 Holiday Decorations

Holiday decorations must be removed within 14 days after a holiday.

3.7 House Numbers

House numbers must be on every building or house and must be easily visible from the street. Do not paint house numbers on the curb (Howard County does not allow house numbers to be painted on curbs). An approved application may be needed for new or replacement house numbers.

3.8 Lampposts and Exterior Light Fixtures

Lampposts should stand straight and should be free of rust. Light fixtures should not be crooked or have missing or broken bulb coverings. Globes to cover the light bulb should always be in place. An approved application may be needed when replacing or adding new fixtures.

3.9 Leaf and Tree Debris

Lawn, sidewalk, roof, and gutters should be cleared of leaves and debris on a regular basis during the appropriate seasons. Raking leaves and debris into the street and/or open space or ravines is prohibited. Residents may leave fallen leaves below trees and in garden beds, mow over the leaves that fall onto lawn and leave them to fertilize the grass, rake them under shrubs and trees, use them to help smother turf when creating new garden patches, compost them in an onsite bin, or send them to Alpha Ridge landfill for composting. Leaf piles should not be covered with a tarp.

An approved application may be required for compost bins.

3.10 Mold, Mildew, and Algae

Mold, mildew, and algae should be removed from all structures.

3.11 Paint

There should be no peeling paint or rotted wood on structures. An approved application for color change is required.

3.12 Patio and Walkways

Patios and/or walkways that are deteriorating or damaged should be repaired or replaced. An approved application may be required.

3.13 Roof

The roof should be in good repair and of all one color. There should not be any accumulation of debris on the roof. An approved application may be required for a new roof.

3.14 Screens

Screens should be in good repair and fit properly.

3.15 Shrubs

Shrubs should not be overgrown for the size of the structure. Dead shrubs should be removed and disposed of. An approved application is required for planting single species shrubs that are to be used as a hedge.

3.16 Siding

Siding should be securely intact and free of mold, discoloration, or dirt. An approved application is needed for changing the color or style of siding.

3.17 Sidewalks

Sidewalks should be in good repair with no crumbling or heaving. The maintenance, including snow removal, of sidewalks is the responsibility of the adjoining property owner under Howard County law. This means that if your lot abuts any section of a sidewalk, you are responsible for that portion of the sidewalk. Maintenance of the grass area between sidewalk and curb are also the adjacent property owner's responsibility and should include appropriate mowing, trimming, weeding in the same manner and frequency as regular lawn care. (Sidewalks damaged by street trees may be repaired by the county.)

FOR MORE INFORMATION ON SIDEWALK REPAIR AND
HOWARD COUNTY POLICIES CALL 410-313-2330.

3.18 Tarps

Brightly colored tarps are not allowed in the open on any lot.

3.19 Trash, Trash Containers and Recyclables

Trash and recycling containers should have secure lids on them. Except for scheduled collection days, containers should not be stored in view. No refuse, trash or bulk items/materials may be accumulated or stored on any lot. Trash and recycling containers should not be put out any earlier than the evening prior to pick-up day and should be stored out of sight by sunset of the collection day.

3.20 Trees

Dead trees or branches may be removed from the property, however, written permission is required from the Columbia Association to remove a tree 6" or more in diameter measured two feet above the ground. A [Tree Removal Request](#) can be found in the Forms and Applications section of WLCA's site and should be submitted to CA Open Space at open.space@columbiaassociation.org (410-312-6330). An arborist will inspect the tree(s). If the tree is approved for removal, the resident will be notified by email or mail.

Problems with street trees should be brought to the attention of Howard County Bureau of Highways by submitting a request through Howard County's [TellHoCo website](#) or by calling 410-313-7450.

3.21 Vehicles

Boats, trailers, inoperable vehicles, commercial trucks, vehicles without current registration, or any similar items are not allowed in the open on any lot.

Vehicles may only be parked on driveways, parking pads or the street. Vehicles may not be parked on the lawn or other areas of the lot.

Campers, recreational vehicles and motor homes may not be stored in the open on any lot. Storage in open carports is not permitted. It is the responsibility of owners to find alternative storage locations. Renovation of vehicles or major repairs may not be undertaken except in enclosed garages. Only minor emergency repairs such as changing a tire or battery, etc. are permitted in the open.

3.22 Windows

Window frames and sills should be kept in good repair. Panes that are broken or fogged due to broken seals should be repaired or replaced.

3.23 Woodpiles

Woodpiles should be neatly stacked inconspicuously and never covered with a brightly colored tarp.

The above list may not cover every standard of good property maintenance.

REST OF PAGE INTENTIONALLY LEFT BLANK.

4.0 EXTERIOR ALTERATION GUIDELINES

The purpose of the Guidelines is to aid residents in preparing applications to the Architectural Committee

These guidelines are adhered to in most instances. However, lot configuration, land topography or other mitigating circumstances may be considered in the approval process. Approval of an exterior alteration on one lot does not mean that alteration is acceptable on another lot.

4.1 Accessibility – Handrails, Ramps, Wheelchair / Stair Lifts

These guidelines are intended to aid residents' mobility while remaining in their homes.

An application is required when a new handrail, ramp, and/or wheelchair / stair lift is installed or when modifications are made to existing accessibility structures.

Applications must include:

- Site plan or photograph showing the location of the proposed handrail, ramp and/or wheelchair / stair lift.
- Description of materials, dimensions, color, and style.
- Photographs of any proposed equipment.

All types of accessibility structures are eligible for Fast Track consideration.

Metal, natural wood or synthetic materials are acceptable for handrails. The style and color of existing railings, such as deck railings, should be considered when designing handrails.

Ramps should be constructed in a workmanlike manner and should blend with the style and color of the residence to the extent possible. Metal wheelchair ramps, such as those that may be rented from medical equipment suppliers, are acceptable, but should be removed as soon as practical when no longer needed.

Wheelchair or stair lifts are permitted.

4.2 Additions

An application is required for all additions.

Building additions include garages, carports, new rooms, greenhouses, enclosed porches, and any other enclosed space not individually treated elsewhere in the guidelines.

Applications must include:

- A plat plan showing the location and dimensions of the new construction.
- An elevation drawing of all sides of the structure showing the style, window placement, door placement, skylights, and rooflines.
- A description and color sample of exterior materials to be used.
- Landscaping plans.
- The impact the new construction will have on neighboring properties.

The architectural character or style of any proposed addition or alteration should remain consistent with the existing structure.

Additions may not impair the view, natural sunlight or natural ventilation of adjacent dwellings. Nor should they adversely affect drainage conditions of adjacent properties through changes in grade or other factors having a significant effect on runoff.

During construction, materials should be stored neatly and out of sight as much as possible. Excess material and debris should be removed immediately after completion of construction.

If construction infringes on Columbia Association Open Space, applicants should contact the Columbia Association Open Space Management for permission prior to any use of open space. The lot owner is responsible for ensuring that contractors do not dump materials on or damage Open Space land.

4.3 Air Conditioning and Heating Units

An application is required for all added exterior HVAC units and for moving a unit to another location.

Applications must include:

- A plat plan or photograph showing the proposed location for the unit in relation to the house.
- A description with a drawing or picture of the unit including dimensions.
- A description or drawing of any necessary screening to be used.

Air conditioning (AC) or heating units should be located inconspicuously in the rear of a home and as close to the house as possible. If it is necessary to locate the unit on the side of the house, the unit should be completely screened from view.

Applications to move an existing or replacement unit to another location may qualify for Fast Track consideration. Please contact the covenant advisor prior to submitting your application.

An application is not required for replacement units or for temporary window units. Temporary window units must be installed in a neat and workmanlike manner.

4.4 Animal Shelters and Dog Runs

An application is required for all animal shelters and dog runs.

Applications must include:

- A plat plan showing the proposed location for the unit in relation to the house and the property lines.
- A picture or a drawing showing style and dimensions.
- A list of proposed material and/or finishes to be used.
- A plan showing the screening for the shelter/run.

Animal shelters and dog runs should be located in the rear or side yard. The structure should not be visible from the street or neighboring properties. Materials used should be compatible with existing structures. To ensure the privacy of adjacent neighbors, animal shelters and dog runs should be located at least 10 feet from adjacent property lines. Landscaping may be required for screening.

4.5 Antennas and Satellite Dishes

Antennas and satellite dishes are permitted. Satellite dishes should be placed as inconspicuously as possible. In addition, residents should review the Howard County Supplementary Zoning District Regulations (Section 128, E) “Communications Towers and Antennas” prior to installing an antenna or satellite dish. (These regulations are available from the [Howard County Department of Planning and Zoning](#), 410-313-2350)

4.6 Attic Ventilators

An application is not required for attic ventilators if:

- No part of the ventilator protrudes more than 12 inches above the roof surface.
- The ventilator is roof-mounted.
- All exposed parts are painted to match the color of the roof.
- Are located on the least visible side of the roof.
- Are located below the ridgeline.
- Are not visible from the street.

An application is required for all other attic ventilators.

Applications must include:

- An elevation drawing showing the position of the ventilator on the roof.

If any portion of the electric car charging station will be located on common HOA property, the HOA must submit an application in conjunction with the homeowner.

An application is not required when the proposed car charging station is located in an enclosed garage with no visible exterior elements, or in a carport when only a wall-mounted plug is visible.

4.16 Fencing

The concept of public open space is fundamental to Columbia. The preservation of green space and natural features, as well as a feeling of openness, contributes significantly to Columbia's difference from typical subdivisions. The purpose of community open space is to provide each residential lot with the atmosphere of a larger open area. The street side of every home is, visually, to some extent public. In addition, many back yards are similarly public when they abut open space. Carelessly used or placed fencing may encroach on open space and compromise Columbia's feeling of openness.

No application is required to replace an approved fence with a like fence, but an application is required for all other fence construction.

4.16.1 Detached Houses

- New fencing should be compatible with existing fences in the neighborhood. Construction material should be wood, aluminum, iron, or composite.
- The following are some fencing recommendations:
 1. Split rail fences, sometimes referred to as post and rail fences, no higher than 4'.

2. Paddock or estate fences, no higher than 4'.

3. Wooden picket fences, no higher than 4'.

4. Metal picket fences, no higher than 4 feet.

5. Stockade or board-on-board (a.k.a. shadow box) fences will be considered for the screening of hot tubs and swimming pools (see section 4.40 for more information on swimming pool). Other uses of this fencing style will be considered on a case-by-case basis.

- Galvanized or coated welded wire mesh may be attached to the inside of the fence but must not extend above the top rail.

- Gates should match the fence in style, color, material, and height.
- The style, color and material of the fence should be the same on all sides.
- All fences should have the “finished” side on the outside.
- No fence should exceed 5’ in height.
- Side yard fences should be set back at least halfway from the front corner of the house. In those instances where rear yard fences will in effect create front yard fencing for a neighbor, fencing should not extend beyond the front line of the adjacent house.
- Solid or privacy fences are strongly discouraged but will be considered on a case-by-case basis.
 - Front yard fences are discouraged but will be carefully considered. In some cases, a decorative partial front yard fence may be approved if it is compatible with the surroundings.
 - Chain link fences shall not be constructed on residential properties.

4.16.2 Townhouses and Condominiums

- Generally, fences in townhouse/condominium developments should match existing, builder-installed fences. In most cases these are board-on-board fences.
- Property line fences may be allowed for townhouses/condominiums. Owners should be aware that townhouse/condominium associations may have additional requirements or restrictions. Please contact your association.
- Fences should be constructed of wood or composite material. Low maintenance vinyl, masonry, and metal fences may be considered. Gates should match the fence in style, color and material.
- The appearance of the fence shall be the same on all sides.
- All fences shall have the “finished” side on the outside.
- No fence shall be in excess of 6’ in height.
- Side yard fences should be set back at least halfway from the front corner of the house. In those instances where rear yard fences will in effect create front yard fencing for a neighbor, fencing should not extend beyond the front line of the adjacent house.
- In the case of a corner lot, the fence shall be located no more than half the distance from the side of the house facing the road to the road or sidewalk, whichever is closer to the house.
- Stockade and other solid fences are generally not appropriate. Privacy fences are discouraged, but because some townhouse/condominiums permit such fences, they will be considered if compatible with existing privacy fences in the townhouse/condominium community.
- Front yard fences are discouraged, but because some of townhouse/condominiums permit such fences, they will be considered on a case-by-case basis, if compatible with existing front yard fences in the community.
- Chain link fences shall not be constructed on residential properties.
- Applicants should consider using plantings to soften the visual impact of fencing.

Applications must include:

- A site plan showing the proposed location of the fence on the property and the relationship of the fence and gate/s to adjacent structures and open spaces.
- A description or photograph of the style and color of any fences on adjacent properties.

- The dimensions, style, color, and materials to be used for the new fence. A manufacturer's photograph or brochure is helpful in evaluating the application.
- A description of any landscape screening to be installed.
- Applicants are strongly encouraged to notify all adjacent and visually effected neighbors of the fencing application.

14.16.3 Additional information:

- Applicants should note that Howard County regulations may also be relevant and supersede Covenant restrictions. Applicants should check with the county.
- Applicants are encouraged to have their lots surveyed to establish property boundaries before installing fencing. Wilde Lake Architectural Committee approval does not extend to fencing that encroaches onto neighboring properties.
- Each property is unique, and each application will be considered on its own merits. Approval of a fencing style, material, size, or color on one lot does not establish a precedent that similar fencing will be approved elsewhere.

4.17 Flags and Banners

Applications are not required for 3' x 5' or smaller flags on poles attached to a house, garage, carport or deck, or for small banners displayed for holidays.

An application is required for all other flags and banners.

Approval will depend on the location of the tank, and the ability to screen the tank from neighboring properties and street views.

Exterior oil storage tanks will not be allowed.

4.19 Gazebos

An application is required for all gazebos.

Applications must include:

- A site plan showing the proposed location of the gazebo in relation to existing structures.

For safety purposes, a lid with a lock is recommended during periods of non-use.

4.23 In-Home Businesses

An application may be required. (No application is required for working remotely or working solely by computer from a home office. Group homes and day care facilities do not require approval by the Wilde Lake Architectural Committee.)

The Wilde Lake Village Covenants (Section 11.02) state:

“No in-home business or profession shall be conducted in or on any part of a Lot or in any improvement thereon on the property without the specific written approval of the Architectural Committee. The Architectural Committee, at its discretion, upon consideration of the circumstances in each case, and particularly the effect on surrounding property, may permit a Lot or any improvement thereon to be used in whole or in part for the conduct of a profession or home business. No such profession or home business shall be permitted, however, unless it is considered by the Architectural Committee to be compatible with a high quality residential neighborhood.”

The applicant for an in-home business must reside at the address of the proposed business, and an in-home business application does not convey from one Lot owner to another.

It is recommended that the application include the signatures of immediate property owners.

The following list of questions must be addressed on the application:

- What are the hours of operation?
- Will there be deliveries of supplies to the property?
- How will the storage of business-related materials be accomplished?
- How will the distribution of any products or materials be made?
- How many employees will be working at the property?
- What is the expected number of clients/customers/visitors per day?
- How many vehicles are expected to park at any one time?
- What number of trash or recycling bins will be set out on the property on trash/recycle pick-up days?
- How do you perceive the overall impact on the neighborhood?

Applications must include:

- A site plan showing the location of the proposed hedge.
- A description of any shrubs to be used and their height at maturity.
- Height and material of proposed retaining walls.

No application is necessary to create naturalistic mixed landscaping along property lines made up of a mix of trees, shrubs, perennials, and groundcovers.

It is recommended that plantings be arranged in clusters or groups, rather than in straight lines. Cluster plantings give a natural effect which is in harmony with the general plan of the Village.

No application is needed for rain gardens that have been designed and installed by Columbia Association, Howard County Cleanscapes, or certified Chesapeake Bay Landscape Professionals, because of demonstrated expertise and experience.

Wilde Lake recommends employing environmentally friendly landscaping practices. Additional information is available in our [Environmentally Friendly Landscaping Practices guide](#) (requires Adobe Reader).

4.25 Lawn Ornaments

An application is not required for lawn ornaments that are small in scale and those ornaments displayed briefly for special occasions and holidays.

An application is required for large objects and those objects that are intended to be displayed permanently. Each object will be evaluated on aesthetics, as well as on placement and appropriateness to its surroundings.

- A site plan showing the location of the ornament.
- A picture or detailed drawing of the object.

- The dimensions, color and description of the materials of which it is made.
- A method for controlling mosquitoes in any water feature.

One backyard birdbath per property is permitted without application.

Applications must include:

- A site plan showing the placement of the fixture or light post.
- A picture or drawing of the fixture.
- Its dimensions and color.

An application is not required when an existing light fixture is replaced with one that is a reasonable match to it.

Light fixtures should enhance the daytime appearance of the house and appear as an integral part of the design of the house and/or its landscaping.

Exterior lighting should be carefully placed to minimize its impact on adjacent properties and public spaces. Light fixtures should be oriented to illuminate only a specific area, such as a doorway. Some lights may have to be shielded to prevent excessive intrusion of light from one property to another.

All exterior lights must be shielded and aimed downward so as to illuminate the homeowner's property only. This decreases upward light pollution, though it can still negatively impact plants, insects and other wildlife.

The use of low-intensity, motion-sensor lighting is strongly encouraged to minimize impact on neighboring properties, energy use, and the

environment. Yellow LED light bulbs provide sufficient illumination while attracting fewer insects.

4.27 Patios and Walkways

An application is not required when replacing an existing patio or walkway with one of identical materials and configuration **or** if the patio or walkway is completely enclosed within an existing privacy fence, as in many townhouse developments.

An application is required:

- Where there will be a change in size or materials of an existing patio or walkway.
- For a new patio or walkway where one does not already exist.

Applications must include:

- A site plan showing the proposed patio or walkway in relation to the existing dwelling, trees, and lot boundaries.
- A description or sample of the materials to be used.

Materials such as concrete, stone, brick, treated wood, composite wood or pavers are preferred. Permeable pavers and materials are preferred where appropriate.

An application is required for all ponds.

Applications must include:

- A site plan showing the proposed location of the pond.
- A description, including dimensions, depth, materials, and type of filter system to be used.

An application is required.

Applications must include:

- A site plan showing the relationship of the privacy screen to adjacent properties, property lines and public spaces.
- A picture or sketch of the barrier/screen (including elevations if relevant).
- The dimensions and the type and color of the materials to be used.

A screen is considered to be any permanent or semi-permanent structure that limits or eliminates viewing of a given area.

Privacy barriers/screens will be considered on a case-by-case basis, although plantings in staggered clusters are preferred instead of structural barriers.

4.31 Radon Mitigation Equipment

An application is required for units mounted on the front or street side.

No Application is required if all of the following conditions are met:

The pipe is located alongside a downspout (on the side or rear of the house only) and painted to match the downspout. Although the location alongside the downspout is preferred, it would be acceptable for the pipe to be

vertically placed on the side or rear of the house and painted to match the house. Some landscaping/screening may be required.

4.32 Rain Barrels

No application is needed for one rain barrel of 75 gallons or less per downspout if the following guidelines are met.

The drainage/overflow/runoff should be properly diverted to avoid flowing onto neighboring properties. Rain barrels should be an earth tone color or match the color of the home or accents. Rain barrels must be located against the house; landscape screening can soften the visual impact of the rain barrel to neighboring properties. Rain barrels should be maintained at all times and should be free of standing water.

4.33 Rental Property Advisory

NOTE: HOWARD COUNTY REQUIRES THE LICENSING OF ALL RENTAL UNITS. Call 410-313-2455 for information.

Every dwelling or dwelling unit in Howard County which is not occupied solely by the owner or the owner's immediate family must be licensed if there are one or more boarders, roomers or renters occupying the dwelling. This requirement applies whether or not rent changes hands.

Property owners are responsible for covenant and maintenance compliance.

- c. The placement of no more than 4 cameras on the property.
- d. Camera exterior color is black, white, or matches the color of the surface to which it is attached.
- e. The cameras do not detract from the residential character of the structure and neighborhood.

An application is required for all sheds, whether new or replacement.

Applications must include:

- A site plan showing the location of the proposed shed in relation to existing structures and to the property lines.
- A picture or detailed drawing showing its dimensions and the size and orientation of the door(s).
- A description of the type and colors of the materials to be used.
- The existing house colors.

Shed size should be proportional to lot size and the existing structures, and the color and materials used must coordinate with the surroundings.

Containers to be used longer than 30 days require an application, which shall include dates of arrival and removal. The Covenant Advisor shall be notified of the arrival date of the container. Wilde Lake Community Association approval of the temporary use of a temporary/portable storage container does not supersede Howard County Planning and Zoning regulations.

4.45 Tree Removal

Written permission from Columbia Association Open Space is required to remove any tree with a diameter of 6" or more, measured at a point two feet above ground level.

CA's Tree Removal Request form (<https://www.wildelake.org/wp-content/uploads/2018/06/TreeRemovalApp.pdf> - requires Adobe Reader) should be completed and submitted to CA Open Space at open.space@columbiaassociation.org (410/312-6330). Problems with street trees should be brought to the attention of Howard County Bureau of Highways by submitting a request through Howard

County's TellHoCo website (<https://www.howardcountymd.gov/tell-hoco>) or calling 410-313-7450.

For more information, please call the Howard County Agricultural Extension Service at 410-313-2707.

Dead and dying standing trees (snags) that provide wildlife habitat are acceptable as long as they do not represent a pest or disease risk to surrounding trees, or a safety or damage hazard to surrounding properties or communal walkways, sidewalks, or streets. Pruning may be required to improve curb appeal and to maintain health and safety. A backyard location is preferred, but no more than one snag in the front yard will be allowed without application. Stumps and extended roots can remain after a tree has been removed to provide habitat and erosion control; these should form a part of a landscaped bed to improve appearance and support for wildlife.

4.46 Vegetable Gardens

An application is not required when the vegetable garden is located in the back of the property and does not exceed two hundred square feet.

An application is required for oversized gardens and/or those that require fencing.
